

There's a new driving force in the battle against pet overpopulation ...

... Arizona's new “pet-friendly” license plate!

It shows others how much you love animals – and it pays for spay and neuter services statewide to help end pet overpopulation. This gorgeous, four-color specialty license plate features original work by renowned artist RON BURNS and a tag line that reads, “Pets Enrich Our Lives.”

It's a must-have for anyone who wants to make the world a better place for animals in our state. Best of all, the annual fee for this plate is just \$25, and \$17 from the sale of each pet-friendly license plate is deposited into a fund that pays for spay and neuter services for dogs and cats across Arizona!
